Weekly Events Description

Callaway Scoring: (No handicap required) Net score of each player is determined by making an adjustment to the gross score. Therefore, the higher the gross score, the greater the adjustment.

Peoria Scoring: (No handicap required) After tee off, 6 holes for the 18 hole league and 3 holes for the 9 hole leagues will be selected. Each player's score on the selected holes will be totaled and used to convert a handicap for the day. The actual score minus the player's handicap will determine the Net Score Winner.

Low Putts: (No handicap required) Keep track of your putts. If you chip in, it is a "0". The player with the lowest number of putts for the round wins.

Two Person Best Ball: Two person Team event - The best handicap score between you and your partner per hole is utilized. The team with the lowest overall score wins. If there are only 3 in your foursome the Pro Shop will blind draw a partner for you.

Par 4 Event: The lowest score on all of the Par 4's, with your handicap.

Stableford Scoring: Event is based on a plus/minus system, with handicap.
Eagle = +4 points Birdie = +3 points Par = +2 points Bogey = -1 point etc.

Best Even Holes: Your score, with handicap, is calculated for just the even holes.

666 or 333: Four person Team event - For the first 3 holes (6 for 18) best score from one golfer in the foursome is used, for the next 3 holes the two best scores from the foursome are used and for the last 3 holes the three best scores from foursome are used.

Individual Low Net: The total score minus total handicap.

Luck of the Draw: Two person Team event - Each player will receive a random partner from Golf Genius. It will be a best ball format using your full handicap.

Guess Your Score: When you check in before your round you will tell the golf shop what you think you will shoot for a total score (9 or 18 holes) The person who guesses the closest will be the winner. Gross score is used to determine winners.

Trouble: Four person Team event - The goal is to have the least amount of points possible when you are finished. Going in the water is 1 point, out of bounds is 2 points, going in a bunker is 1 point, having a 3 putt is 1 point and a whiff is 2 points. All points can be erased on each hole by someone in the group making a par on that samehole.

Beat the Pro: Jack will play golf on Sun or Mon of the same week. Your score with handicap will have to beat his score. Their score will be posted in the weekly Prestwick Women's Newsletter email prior to the Tues and Wed league rounds.

3 Clubs and a putter: This is intended to be a FUN event during the week of July 4th. Select 3 clubs and a putter, leave the rest of your clubs in the car Gross score is used to determine winners. For those who choose to play a regular round of golf using the standard set of clubs, please write 'Regular Round' on your scorecard next to your name. You will not be eligible for the event payout award. You will need to submit your own score to GHIN to count toward your personal GHIN handicap.

Pink Ball: Four person Team event - TO PLAY PINK BALL, USE TEAMS OF FOUR. EACH FOURSOME HAS A BRIGHT PINK BALL THAT ROTATES AMONG PLAYERS. PLAYER 1 USES IT ON THE FIRST HOLE, PLAYER 2 ON THE SECOND, AND SO ON. Four person Team event - TO PLAY PINK BALL, USE TEAMS OF FOUR. EACH FOURSOME HAS A HIDEOUS, BRIGHT PINK BALL THAT ROTATES AMONG PLAYERS. PLAYER 1 USES IT ON THE FIRST HOLE, PLAYER 2 ON THE SECOND, AND SO ON. THE PRO SHOP WILL TAKE THE BEST TWO NET SCORES ON EACH HOLE AND ADD THEM. WHOEVER HAS THE PINK BALL ON A GIVEN HOLE MUST CONTRIBUTE TO ONE OF THE TWO SCORES. This will be player #1 on the scorecard for holes 1,5 & 9; player #2 for

holes 2 & 6; player #3 for holes 3 & 7 and player #4 for holes 4 & 8. A Pink balls will be provided to each foursome team by the Starter prior to your round starting.

4 Balls count: Four person Team event - Every Hole, every person's score counts towards the overall total. Net score is used to determine winners.

Mystery Holes: There are 3 "mystery" holes that will be automatic pars. These "mystery"holes will be chosen at random by the golf shop staff before league play begins. The "mystery" holes will be unknown to the golfers before the round is started. Net score is used to determine winners.

Throw out your 2 or 1 worst holes: For the 18 hole golfers, your two worst holes will be replaced with net pars, for 9 hole golfers your worst hole will be replaced with a net par by Pro Shop. Low net wins.

2 person low net: Two person Team event - Both players (top 2 and bottom 2 on the scorecard) will add their rounds together then apply their handicap strokes to get your total score. Net score is used to determine winners.

Proxy Day: On each hole, we possibly will have a proxy available for every person to try and win. The number of proxies provided will be dependent on how many proxy rollover weeks we have from prior weeks during the current season due to not meeting the minimum number of golfers due to weather, etc.
